Have your say!

If you think of any thing that will make your club playing experience more enjoyable, let any of the committee members know (contact details below or on the website) - remember it's your club too.

Please note:

If there is a cricket game/s taking place and are lots of children around, please avoid driving your cars up to the club house. Please use the car park if possible or park on the grass through the gates at the bottom of the cricket ground - near the wall / hedge. We have asked for the gate onto the field to be left clear and unlocked when evening cricket is being played.
